# REDEMPTION

The Foundation  
Of

*Worship*

**S**in demanded the death of the sinner. The only way for man to be released from the penalty of sin was through the substitutionary death of an innocent sacrifice. The ritual of blood sacrifice set forth in the Mosaic Law points to a coming Redeemer, who will make the ultimate sacrifice as a final payment for the sins of all mankind. Jesus is that Redeemer. Through the blood of Jesus, man's sin penalty was paid and his relationship with God was restored.

In **REDEMPTION: THE FOUNDATION OF WORSHIP** Dr. Elliott explains:

- Man's ultimate purpose
- Why worship rests on the foundation of redemption
- The pattern for worship in the Tabernacle of Moses
- How the redemptive names of God expand our worship

and much more...
