

Announcing the kick-off of our

Fundraising Program To Benefit:

You can **support** our organization by **donating** your used **cell phones** and **inkjet cartridges** while helping save the **environment** from toxic waste!

Reasons to help this cause:

- ▶ We're not asking you for cash donations!
- ▶ Donations of your unwanted cell phones and inkjet cartridges can mean support for our organization.
- ▶ You will be giving old technology new life and keep it from polluting our landfills. If improperly disposed of, one cell phone can pollute up to 132,000 liters of drinking water. Your unwanted cell phones and inkjet cartridges will be recycled in accordance with EPA regulations or refurbished and reused.
- ▶ Your donation may be tax deductible.

All cell phones and inkjet cartridges are accepted. Please donate at the following locations:
